19. Duplicate permit (Cross-border or cabotage)	Freight, passengers and tourists	As on original permit	R65	R65	R130

Information supplied by CBRTA

If a permit for a three-month period has been issued more than three consecutive times to the same country, it is the opinion of the Regulatory Committee that the carrier is providing a service of a permanent nature and you are therefore required to apply for a permanent permit.

Passengers' applications for permits for a period of one year are considered for all types of passenger transport.

Permits can be sent to you per priority mail at an additional cost of R50. Alternatively, you can use the Agency's pre-paid envelope service at an additional cost of R75/envelope. Delivery will take between 24 and 72 hours.
